KÖMMERLING 76

Double seal system

DISCOVER MORE QUALITY OF LIFE.

KÖMMERLING 76 is a modern, best-in-breed window and door system. Highest quality, real heating cost savings, optimum noise protection, reliable intrusion protection and a wide range of options improve your quality of life. KÖMMERLING 76 is definitely the right choice.

Best in breed window system.

KÖMMERLING 76 makes no compromises. It offers all the advantages of modern windows - from design and function, to construction physics, insulation values, environmental protection and value retention. KÖMMERLING 76 satisfies all present and, more importantly, all future requirements.

Innovative technology.

The design of KÖMMERLING 76 is so innovative that it can incorporate modern triple glazing or special functional glazing of up to 50 mm thickness. As a result of intelligent mounting technology, the system can be installed quickly, cleanly and with little effort. So replacing your old windows with new, modern KÖMMERLING 76 is a clean process.

KÖMMERLING 76
